INDUSTRIAL DESIGN

Industrial Design student with a solid engineering background, passionate about user-centered design, strategic thinking, and meaningful product experiences. Proficient in 3D modeling, physical prototyping, and visual storytelling. I am eager to contribute to dynamic, innovative projects and grow within a collaborative and a fast-paced design studio.

EDUCATION

Savannah College of Art and Design

Bachelor of Fine Arts in Industrial Design

Class of 2028

Atlanta, GA

- Advanced presentations using Canva, Power Point, Prezi, Genially and Figma
- Proficient in crafting compelling essays, letters, and stories with advanced writing skills
- Skilled in 3D modeling and rendering using software such as Rhino, SolidWorks, and KeyShot

Carlos III University

Bachelor of Science in Industrial Engineering

September 2023–June 2024

Madrid, Spain

- 3D modeling and rendering from a V8 engine, with all the components, including transmission via AutoCAD
- Solid business management skills in strategy, project management, and team leadership to drive success
- Knowledge in high level mathematics, physics, chemistry and programming

PROFESSIONAL EXPERIENCE

Fitness Center Assistant at Savannah College of Art and Design

March 2025–Now

Assisted with the daily operations of the university fitness center, providing support to students and staff, maintaining equipment cleanliness and organization, and ensuring a safe and welcoming environment. Helped monitor gym facilities and delivered customer service in a fast-paced campus setting.

Model for Savannah College of Art and Design

September 2025–Now

Worked as a model for fashion and design projects, collaborating with students and faculty during photoshoots, runway presentations, and creative studio sessions. Demonstrated professionalism, adaptability, and confidence while supporting the development of artistic and visual concepts.

Warehouse Associate at Lidl

November 2025–January 2026

Prepared customer orders by collecting products from the warehouse and packing them accurately for distribution. Ensured efficient order fulfillment while maintaining organization, attention to detail, and compliance with safety and quality standards in a fast-paced environment.

PROFESSIONAL EXPERIENCE (CONT.)

Math teacher

September 2023-June2024

Provided mathematics instruction to children, focusing on building problem-solving skills, conceptual understanding, and instilling a passion for learning mathematics. Developed individualized lesson plans for different learning speeds.

Karate teacher

September 2022-June 2023 // September2023-June2024

Taught karate to children ages 8-15, focusing on discipline, physical fitness, and technique development. Organized training sessions maintained a positive environment, and helped improve students' performance.

Exam Supervisor and English Examiner

September 2022-June2023

Supervised and corrected exams to assess the English proficiency of high school students, ensuring accurate evaluation of language skills and providing constructive feedback for improvement.

Piano teacher

September 2021-June2022

I studied piano for 10 years of my life, so I put all my knowledge into it, and started teaching piano to kids and adults.
